

How to “Opt-Out” courses with Pronto

1. Go to <https://smccd.canvas.pronto.io/>
2. Click on “Login with Canvas”. Note: if you are already logged into Canvas, you may skip this step
3. Click Authorize
4. Find the course you would like disable or “Opt out” of. Click on the course. Note: Use the search bar to find any specific course you would like, as well as the “Help option” for any help you might need

5. Click on the red “Disable Pronto” button. This will Disable Pronto for your canvas course. Note: Please allow 15-30 minutes for changes to be reflected.
